ONE-PUNCH MAN 10

STORY BY ONE ART BY YUSUKE MURATA

CHARACTERS

CHARANKO

A single man arose to face the evil threatening human-kind! His name was Saitama. He became a hero for fun!

With one punch, he has resolved every crisis so far, but no one believes he could be so extraordinarily strong.

Together with his pupil, Genos (Class S), Saitama has been active as a hero and risen from Class C to Class B.

One day, a seer predicts a great danger to Earth and dies. Is the increasing number of catastrophes in recent years an omen of this great danger? When the Hero Association seeks cooperation from ne'er-do-wells, a man named Garo, who admires monsters, shows up and begins hunting the heroes instead!

ONE-PUNCH MAN

ONE + YUSUKE MURATA

My name is Saitama. I am a hero. My hobby is heroic exploits. I got too strong. And that makes me sad. I can defeat any enemy with one blow. I lost my hair. And I lost all feeling. I want to feel the rush of battle. I would like to meet an incredibly strong enemy. And I would like to defeat it with one blow. That's because I am One-Punch Man.

I HEARD
THE "HERO
HUNTER"
BEAT
TANK-TOP

ONE-PUNCH MAN

VOLUME TEN

Nothing about Saitama passes the eyeball test when it comes to superheroes, from his lifeless expression to his bald head to his unimpressive physique. However, this average-looking guy has a not-so-average problem—he just can't seem to find an opponent strong enough to take on! Hero hunter Garo intensifies his onslaught, so of course Saitama decides now is the perfect time to join a combat tournament. Meanwhile, Class-S hero Metal Bat takes an assignment guarding a Hero Association executive and his son, and before long trouble appears!
